

(1) Individual Number mailing will begin in October!

- ◆ The “My Number” Individual Number system is about to begin in Japan.
- ◆ The Individual Numbers, each one unique to its holder, are important because they are required for procedures at municipal offices, etc.
- ◆ From October 2015 on, your municipality will mail an envelope to your residence (at the address registered therewith).
- ◆ The envelope contains a “Notification Card” with your Individual Number on it.

(3) “Individual Number Cards” will be available!

- ◆ Your “Individual Number Card” also serves as an ID card bearing your Individual Number.
- ◆ In some municipalities, convenient options like having convenience stores issue residence certificates are available.
